

THE BEST PARTIES IN THE AREA

Celebrate your child's birthday Sunny-style! Our Celebration Squad handles all of your party details from set up to clean up and everything in between. Choose your theme, party activities, and refreshments and we'll take care of the rest.

We carefully plan each party with your child in mind and make them the center of attention on their special day. Make your child's next birthday party the best one ever!

AT EVERY PARTY

Every party has two Celebration Squad members leading your party. They will decorate the party room, facilitate all activities, serve the food and help with the gifts and clean up, leaving you to enjoy the celebration worry-free!

Every party ends with 30 minutes in the party room to enjoy refreshments and open gifts. The birthday child gets to sit in the huge, inflatable birthday throne to eat their cake! Sun Country offers discounted pizza orders from Dominos, or parents can choose to bring their own food and refreshments. Themed packages, including paper products can also be purchased.

A Birthday T-shirt and Medal will be presented to your birthday child at the end of the party.

We also supply invitations, balloons and goodie cups for every guest.

BIRTHDAY PARTIES

A PARTY FOR EVERYONE!

YOUR BIRTHDAY - YOUR WAY!

We offer a wide variety of birthday themes that easily incorporate into all aspects of the party. Ask us about our current customizable themes.

- THERE'S SOMETHING FOR EVERY AGE OR ACTIVITY LEVEL -

SPLASH SWIMMING

One splash-tastic hour of fun and games in our heated pool, including games, races, plenty of pool toys, and free swim time. There is always a lifeguard on deck supervising the fun.

Children under the age of 3 and non-swimmers must be accompanied by an adult in the pool. We require all children that are not yet potty trained to use a double diaper system (regular swim diaper covered with a Sun Country swim diaper). Rain plans here at Sun Country will be made for every pool party, so in the event of inclement weather, there will still be lots of fun and excitement.

ROCK CLIMBING

Experience the adventure and thrill of rock climbing for your next birthday on our state-of-the-art climbing wall. Whether your birthday guests are brand new or seasoned mountaineers they will be able to participate in a full hour of climbing. We can accommodate a wide variety of ages and skill levels with 13 different rope stations and over 30 different climbing routes. Climbers can top rope, boulder and traverse; and our indoor playground KidQuest is right next door if anyone in your party needs a break. We provide all of the equipment necessary so your climbers only need to bring a thirst for a challenge!

Socks and tennis shoes are required. We provide two staff belayers for your party. If your party exceeds 10 guests, we recommend an additional belayer. We will train parents and friends to assist the belay staff at no charge. Sun Country can also provide additional belayers at a charge of \$60 each. Having additional belayers will assure your party guests have more climbing time. While the children are enjoying free play in KidQuest, it is the party parents responsibility to monitor the party guests. If you choose not to supervise your guests in our KidQuest area then we can provide an additional staff member for \$60. Please be aware that the rockwall is open to the general public during birthday parties.

SUNBURST PRESCHOOL GYM

Our preschool gym is especially tailored for our younger guests. Activities may include parachute games, songs, obstacle courses, scooter boards, and free play in our developmental play structure called "KidZone". We have lots of space to explore as well as equipment to fit your little gymnasts. There is also a small rock wall, an in-ground trampoline and a foam pit.

All guests in the party must be 5 years old or younger to play in the SunBurst PreSchool Gym area.

STAR GYM

The Star Gym is our large gymnastics area located just inside the main doors. Guests will get to bounce on our 30' foot long trampoline which goes straight into the foam pit, climb or swing on the ropes, play relay races and other games on our open floor area plus have a blast on our obstacle course. Your birthday party leaders will facilitate 30 minutes of structured gymnastics fun for your birthday child and their friends in the Star Gym!

This gym has equipment appropriate for children ages 5 and older.

SUN GYM

The Sun Gym is located in the East Wing of Sun Country and has the biggest foam pit you will ever see! There will be 30 minutes of fun in this gym with a quick warm-up game and an obstacle course. There is even a trapeze bar that the party-goers will swing on and land in the pit!

This area is appropriate for children ages 3 and up.

KIDQUEST

Your birthday child and their friends will enjoy 30 minutes of free play in our multi-level, sports-themed, indoor playground. Activities in KidQuest include monkey bars, slides, ball pit and much more! We even have KidQuest Jr., a separate enclosed play area designed just for children under the age of five.

Socks are required for play. Please be aware that KidQuest is open to the general public during birthday parties.

BOUNCE ROOM

Our gym will be filled with bounce houses for all the jumping fun you can handle. For 30 minutes, your children will enjoy our gigantic enclosed bounce house, a double inflatable slide, an enormous inflatable twister game, and our in-ground TumbleTrak.

MARTIAL ARTS or FENCING

During this 30 minute activity, your birthday child and his/her friends will get an introduction into the world of Martial Arts or Fencing. They will learn the basic moves needed and then play games that incorporate what they learned. They even get to use the equipment that the Olympians use like the pads for kicking and punching and the rapiers (fencing swords) and helmets.

This activity is recommended for children ages 6 and up.

DANCE or CHEER

Our special instructors will tailor the activities in a dancing or cheerleading party to exactly what you and your child want. For example, your birthday Princess could be a ballerina for the day or they could learn a hip-hop birthday routine! Your child and his or her friends can learn the basics of cheerleading including a short routine and even a Happy Birthday chant! This 30-minute activity is fun for boys and girls of all ages.

ART

Let everyone create their own piece of art to take home with them at an art party! We have several projects to choose from including ceramic painting, fabric painting on shirts or bags, or themed projects like Princess hats and wands or Pirate hats and treasure boxes!
