SUMMER CAMP

APPRENTICESHIP

SUMMER 2018

Dear Potential Camp Sunny **Apprenticeship** Participant and Parents,

Thank you for applying for Sun Country's Camp Sunny Apprenticeship program. Apprentices are young adults between 7th – 10th grades. They are young people who demonstrate being a strong leader; they have good decision-making skills, strong values and positive attitudes. They also demonstrate the ability to work with children of all ages, they are excited to learn, and are eager to succeed.

This is a summer leadership and job-training program designed to help young people become strong and successful leaders and prepare them to enter the work force in the near future at any facility. The Apprenticeship program will help them learn what it is like to work on a team, how to handle difficult moments with kids and adults, how to teach in a group setting, and most of all what it is like to be a successful leader and role model. Three times a week, the Apprentices will have a special program with seminars designed especially to help them successfully complete an interview/hire and to be a successful and productive employee.

As an apprentice, we expect you to behave in the same appropriate manner as our counselors. We will train you thoroughly as to what behavior is expected of you, and you should be able to demonstrate that behavior at all times. Daily attire will be the teal Camp Sunny T-Shirt, athletic shorts or pants, and athletic shoes. Please bring a three-ring notebook everyday to store information such as games and rules, and always have it available. Be on time, and please let us know if you will be absent. Be respectful, honest, energetic, and positive. If you do your job well, your campers will have a great time and your experience will open new opportunities for you in the future!

We are all excited that you want to be part of the best camp ever. There will be a lot of hard work, but mostly it will be a summer full of fun, which will become a lifetime of memories. Get ready for the excitement of your life!
