

CAMP SUNNY

SUMMER CAMP

GENERAL INFORMATION

For campers ages 2.5 - 5

Thank you for choosing Camp Sunny Jr!

Please read all the important information below before the first day of camp and complete any other necessary forms.

Check in / Check out

- All campers need to be signed in and out from Camp Sunny Jr. For the safety of our campers, please bring photo ID for check out every day. Please allow extra time for drop-off and pick-up as we work to get everyone through our screening process.
- Please enter the building and walk all the way down to the preschool classrooms to sign your child in and out. Our daily schedule and current location will be labeled on a map of the facility, and we will post other important reminders and information there as well.
- Activities start at 9:00 AM. Early drop-off for morning and full-day camps begins at 7:30 AM. If your camper is not full-day, pick-up is no later than 12:00 PM. Afternoon activities begin at 1:30 PM. It is highly encouraged to have your camper here by 9:00 am for the morning or 1:30 for the afternoon, so that they have a chance to go over the daily rules and schedule with their group.
- If your child is sick or you know they will be absent, please let us know.
- We provide a wide variety of fun resources. Please do not allow your camper to bring any toys or other items.
- Upon arrival, JR campers will place their personal items in a cubby near the preschool classrooms.

Dress for Camp

- **Please send your camper with one bag that includes an extra set of clothes (just in case) and water items on water day. All items (including your bag) should be clearly labeled with the campers first and last name.**
- For our outdoor playground, and for rock wall, campers must wear closed toed shoes.
- All campers should be dressed in athletic attire daily, with no buttons, snaps, or zippers.
- Dress to mess! We like to incorporate many hands-on activities, some of which can get messy. Please send your camper in clothes that you do not mind getting dirty.

Snacks and Lunch

- **Campers will need a water bottle labeled with first and last name every day. Water bottles with a pop-up straw and a handle work best for us. Please avoid bottles with lids that must be screwed off to take a drink, as these tend to spill most often.**
- Campers are expected to bring a healthy snack from home each day. Full day campers will need two snacks, one for morning and one for afternoon. (Please label to clearly indicate which food items are for morning snack, afternoon snack, and lunch)
- Campers staying for the full day will also need to bring a healthy lunch. Please make sure all reusable containers are labeled with first and last name, and that lunch boxes have an ice pack. **We are not able to refrigerate or heat up food.*

Water Day (this will be done in lieu of swimming)

- For the safety of our youngest campers, water day will happen in lieu of swimming every Friday morning. **weather permitting.*
- We will have several water activities available, but children are always able to opt out if desired.
- **Please send your camper to camp with their water clothes on, sunscreen and bug spray already applied, with a towel and a full set of dry clothes, including socks and extra shoes (every item labeled).**

Optional "nap time"

- Naptime is from 1:15 - 2:45 PM every day. If you would like your child to nap, please send them with a crib sheet and blanket, as well as any comfort item that they need.
- Be sure all nap items are properly labeled with first and last name, placed in their bag, and put in their cubby.
