

SPORTS MANAGEMENT / RECREATION INTERNSHIP (FULL TIME) Sun Country Sports Center® - Gainesville, FL

Sun Country Sports Center® has an opening for a Full Time Sports Management / Recreation Intern at our West location. Sun Country is licensed with Florida Dept. of Children and Families and nationally accredited by the Council on Accreditation.

This unpaid internship is available to begin in Fall 2022 at 40 hours per week. Requires excellent writing skills, time management, and attention to detail. Interns will learn about and assist with program planning, event management, competitive teams administration and customer service. Internship includes work with Sunny Cares Foundation, a 501(c)3 that raises money and awareness for select non-profit organizations with a special emphasis on those that focus on children, families and education. Educational opportunities will also entail working closely with the diverse programs of our 40,000 sq. ft. youth sports center.

Requires some time at outside community festivals and events throughout Alachua County. Must have own reliable transportation.

Minimum commitment through Fall 2022. Flexible scheduling. Available for course credit.

About Sun Country

Sun Country has been in successful business for over thirty years. We are a multi-program family/youth sports center whose mission is for every person to feel better about themselves when they walk out of our doors than they do when they walk in.

A Sun Country Sports Center employment application must be submitted for consideration. Visit suncountrysports.com/jobs to apply, and please select "Internship" as primary position on your application.
